DEAR SOUTH EASTHOPE FRIENDS:

A dedicated group of volunteers known as the South Easthope History Book Committee has met regularly from December 1997 to December 2003. The Committee painstakingly researched the complete land deed searches for the farms in the former Township of South Easthope: 1827 to 1998, concession by concession. This extensive history has been collected in a quality, hardbound book. There are 741 pages with 1328 photos, to tell the life and lives of people who made up the former Township of South Easthope, now the South Easthope Ward of the Township of Perth East.

The Committee has emphasized is on the Farm Histories by concession and lot, and covers South Easthope from Punkey Doodles Corners to Tavistock, Harmony, to Stratford, and Shakespeare to New Hamburg.

Thanks go to the former South Easthope Township Council for the startup grant and the Canada Millennium Partnership Program.

The history of this rural township will live on for generations of readers. Contact the Municipal Office for purchase locations.
